THEME OF THE MONTH -

*To Build Strong
Traditions & Culture*

Dear Parent,

Greetings from Reqelford International School!

August in India was a dazzling tapestry of festivals and celebrations, each echoing the nation's vibrant cultural heritage and boundless enthusiasm. The month kicked off with a spectacular showcase at the Inter-school competition, Sport-o-req, held on August 1st and 2nd. The Reqelford campus transformed into a hub of activity as nearly 54 schools, with over 1500 students, converged for two days of exhilarating sports and friendly competition. From basketball and lawn tennis to taekwondo and swimming, the event was a celebration of athletic prowess, teamwork, and the spirit of camaraderie, leaving an indelible mark on all who participated.

The celebration continued with International Friendship Day, which infused the school with a spirit of joy and togetherness. The morning assembly provided a perfect platform for students to reflect on the value of friendship. The school was adorned with vibrant decorations, and students enthusiastically crafted and exchanged handmade friendship bands, creating a festive atmosphere brimming with affection and unity.

On August 12th, the focus shifted to International Youth Day, a day dedicated to honouring the remarkable potential and contributions of young people across the globe. The assembly was a tribute to the energy and innovation of youth, celebrating their role in shaping the future.

August was not just a month of festivities but also a poignant reminder of India's 78 years of independence—a celebration of freedom and progress. The events of the month beautifully encapsulated the spirit of unity, achievement, and cultural richness that define our nation.
