## Better Environment Tomorrow

Good teacher training leads to positive learning environments and in turn this leads to happy children who are more than willing to come to school. Our teachers were exposed to daily trainings and they displayed their innovation during the sessions vide micro-teaching.

# Assemblies

It was a wonderful moment to see a large number of students attend the first assembly on 13.6.22 after the summer break. They were delighted to be back to school after their summer break and they voiced their happiness with loud cries of “Yes, Yes, Yes!” when questioned. The teachers performed the First Assembly extending a hearty welcome to each student present at the gathering. The assembly began with a warm-up Zumba session and students enthusiastically participated. The prayer and prayer song followed next. Thomas Alva Eddison’s inspiring words on success to try ‘just one more time’ was read out by Mrs Elizabeth as the thought for the day. Mrs Sherin expressed the word for the day that being GUSTO - She urged students to start their day 1 with gusto. Vice Principal, Mrs Rajitha gave the welcome note appreciating students for turning up in large numbers on the very first day of reopening. The opening of the cafeteria was a truly welcoming information for the day. Director-Principal Dr. Vidya welcomed all in the gathering and motivated students to have Academic focus and imbibe good values.

On 15th June, grade 12 CBSE students conducted an assembly on the month's theme and it was indeed a great turnout. Varsha invited the audience to a quiz wherein innovative questions were asked and the juniors answered that the greenest country in the world is Greenland. However they have learnt that Denmark is the answer.

Father's Day was celebrated through an Assembly on 20th June. Joanna of gr. 10IG spoke emotively in respect of her father and requested all to give their fathers a hug on their return home from school if not wished earlier on Sunday.

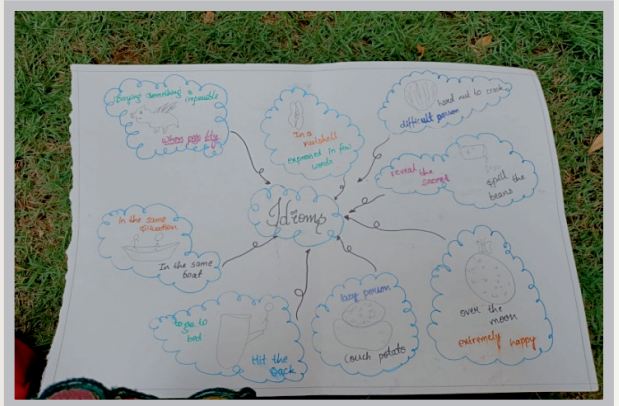

International Yoga Day was celebrated on 21st June in the UK Auditorium. Mr Shankar Vanamalla, Senior Yoga trainer and student of Baba Ramdev Patanjali Yoga Samity, Haridwar and Mr Balla Reddy, Yoga trainer of Patanjali Yoga Samity, Haridwar conducted a wonderful Yoga session in the UK Arena. Our students enjoyed the session and there was a breath of positivity and enthusiasm. They embraced the asanas (exercises) enunciated by Mr Shankar and demonstrated by Mr Reddy and all present in the gathering were enthused. The asanas brought forth a great mix of strength, flow, deep breathing, and relaxation for all who indulged in the activity. Indeed, it was a magical experience for one and all present.
