UN SUSTAINABLE GOAL

## 13 *Climate Action*

### DEAR FRIENDS,

We welcomed June with its cool showers and the return of our students after a long summer vacation.

Reqelforders appeared rejuvenated and were in full attendance for the first day of reopening on June 12th. Teachers conducted a Welcome Assembly and once again the campus was full of student buzz.

#### Assemblies

Daily assemblies were performed by designated classes wherein some were of a special nature on the day's significance, also some working towards UNITED NATIONS – Sustainable Goal 13 for a better earth for all. Much learning happened at these assemblies as students got the opportunity to put aside being 'shy' and conducted themselves before a large school audience.

# Parent Orientation - 24<sup>th</sup> June

New parents attended the Parent Orientation on 24th June and were given a walkthrough of the school's processes. Coordinators apprised new parents of the Pre-Primary, Primary, Cambridge and CBSE divisions of the academic & non-academic system. Also parents of the Residential Housing Programme attended and were informed of the rules governing hostel students.

# Activities

The month of June witnessed many innovative activities of an Academic and CCA nature at the main campus and at the play schools. Hence we invite our parent-friendly community to sit back and indulge in the June Reelpost.

## PLAY SCHOOL : MAIN CAMPUS

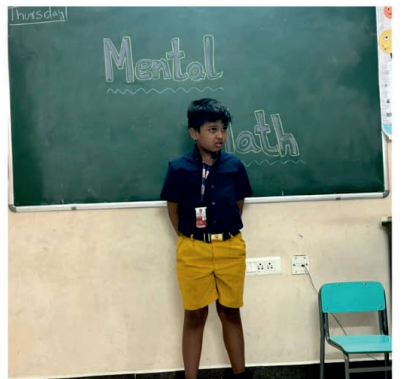

# PLAY SCHOOL : MAHENDRA HILLS

Here at Mahendra Hills, the month of June started with welcoming our little Requelstars with a 'WELCOME BACK' Assembly. All the Requelstars were too eager to get back to school after a long break. Activities like Ethnic Day, International Yoga Day, Father's Day, Green Day and Bakrid were held during the month of June. Once again the competitive spirit was ignited in all the little students with Funtastic Friday and other competitions like Spell Bee, Reading, Jolly Phonics and Recitations being held at Requelford Playschool, Mahendra Hills.

# **The RESIDENTIAL HOUSING PROGRAMME**

**School Prayer 6.15 am**

**Followed by warm up exercises, stretching, jogging and games of soccer, basketball and badminton.**

## AN EVENING TO REMEMBER

On 30th June a Musical Evening was organised at the Reqelford Residential Block. It was indeed a lively evening for all students and the incharges. The programme began with a prayer followed by music which set the tone for the show. The Vice Principal, Mrs Rajitha visited and gave an inspiring talk telling the students to feel free and enjoy. The Dean of the hostel, Mr John, along with Mrs Arlene, the English Coordinator and other members present, sang songs of the 60's and 70's to entertain the students. They enjoyed the show: they presented duets, they showcased their talents on the keyboard, guitar and tabla, some lip sang songs played, they danced to funky tunes with all the energy and for one evening they "went to town". Truly student enthusiasm was at its height.
