Celebrating Woman Strength An Incarnation of

Dear Parents

The onset of March reminds us that spring is near with its beautiful flowers in all their radiant hues. It gives us a reason to celebrate and with that in mind Regelford celebrated with its Prize Distribution.

10th March – Prize distribution day

Prize distribution was held in the UK Auditorium. Middle and senior students were awarded for Art, English, & Olympiads.

KINDERGARTEN GRADUATION DAY: 11TH MARCH, 2023

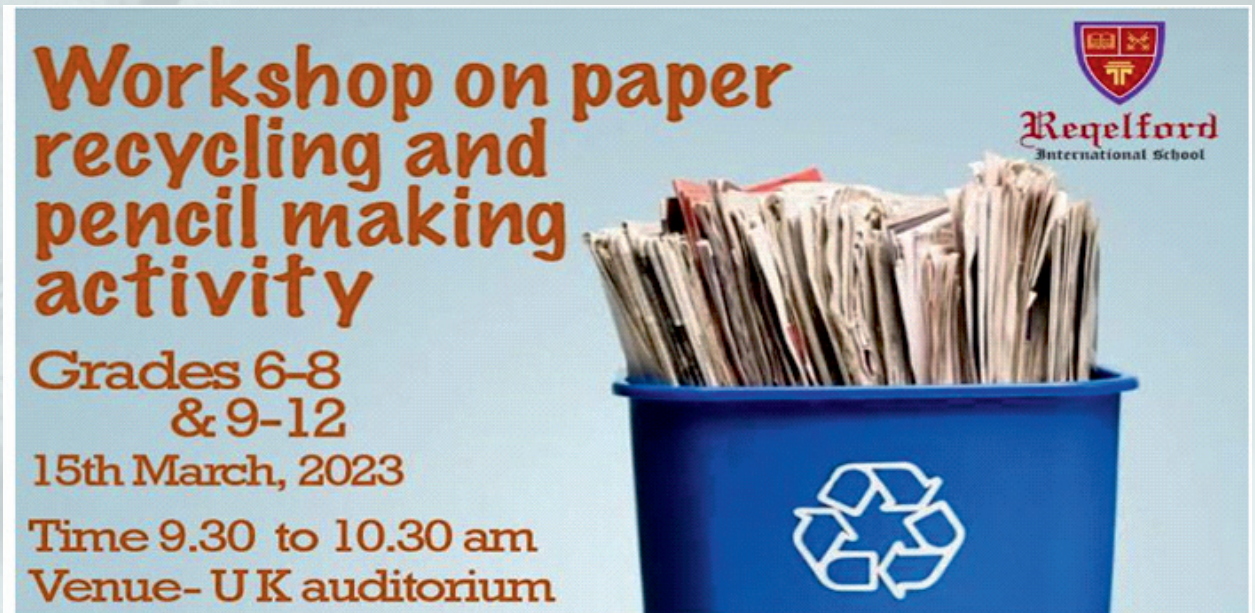

11th March saw Reqelford celebrating its Kindergarten Graduation Day. This ceremony was a great opportunity to celebrate learning and to recognize an important milestone, one that may be the first of many milestones.

The programme began with a prayer, followed by a welcome and congratulatory note by the Vice-Principal Mrs. Rajitha. The graduates were elegantly dressed in black, red and purple robes along with their graduation caps and looked proud and eager for their Kindergarten Convocation.

The performers put up a great show of confidence and charisma. Their energy and vibrancy enthralled all the spectators as they joined in to 'celebrate learning'. The Principal Dr. Vidya Sravanthi congratulated these little graduates who were ready to move on to explore and accomplish yet another milestone in their lives.

Workshop - 15th March, 2023

Workshop on paper recycling and pencil making activity

Grades 6-8 & 9-12

15th March, 2023

Time 9.30 to 10.30 am

Venue- UK auditorium

The poster features a blue recycling bin filled with stacks of newspapers and cardboard. The Regelford International School logo is in the top right corner.

An interactive seminar on paper recycling and pencil making activity was conducted in the UK Auditorium on March 15th for an hour from 9.30 am. Ms. Arshiya Afsar – Territory Head – Early Childhood Association of India, Hyderabad Chapter enlightened students on the importance of Reduce, Reuse and Recycle. She oriented them on the roles that children can play in creating a better environment to live. Grades 6 to 12 participated and made pencils with newspaper as a part of recycling. What did our students contribute towards? They got an opportunity to reduce Carbon Footprint & Get a Sapling.

A Health Camp was held at the Regelford Campus and grades 6 to 12 underwent a Paediatric health check-up. Their heights and weights were taken and the usual routine checking was done. Dr. Abhitej and Dr. Arundathi from Yashoda Hospitals were the presiding physicians.

Assembly – 24.3.23

Regelford students celebrated Pi Day on 24.3 .23 through an assembly which happened to be the first assembly of the new academic year 2023-24. The students displayed charts on the stage and along the corridors showing their affinity for the subject Mathematics. The word for the day was ‘constant’ – a quantity that does not change in value. A speech on the history of Pi Day and the reason to celebrate the day was given by Krishna Suhas of grade 10. Ryan, a student of gr 10A recited the Pi value upto 50 decimal places. The assembly concluded with a great quiz.

On 27th March our Bees returned after a short break all ready to start the new academic year. They were welcomed by their teachers who performed a puppet show for grades pre-primary to II and a mime show for grades 3 to 5. The students enjoyed the performances and were made comfortable right from day 1 of the new session.
