ASSEMBLY BY GRADE 6 C**

11.11.2023 : WINTER CARNIVAL “REFESTA – REQSCIENTIFICA”

On November 11, 2023, the Rampally campus wore a scene of festivity. The campus was decorated with bright flags. The day was divided into two sessions: Reqscientifica and Refesta.

The Winter Carnival “Refesta & Reqscientifica” is celebrated each year at Reqelford International School to raise funds for charity. Prof. Murali Krishna, Professor in Arts College, Osmania University, and Mr. Rahul, Lecturer, Osmania University, inaugurated “Reqscientifica.” Parents and students alike had a field day at Reqelford, for they attended in large numbers to see their ward’s projects. Each student produced a project that showcased their ideas in the fields of Science, English, or Math. The judges belonged to the parent community and were delighted to judge and reminisce on their good old school days. The following parents served as judges for the projects: Mrs & Mr.Amit Mondal, Mrs & Mr.Arun Bhaskaran , Mrs & Mr.Premasis Satman , Mrs & Mr.Rayan Rafeeqe , Mrs & Mr.P.Vinod Kumar , Mrs & Mr.Arvind Rameshlal Gandhi , Mrs & Mr.Bhagavan Maragani , Mrs & Mr.Venkata Ramana Gannu and Mrs & Mr.Yohann Paul.

Sri. Mallareddy, MLA Medchal-Malkajgiri, was the chief guest who gave an inspirational talk for the students and encouraged them to set goals to come up in life. Parents and students filled the campus, and all around, there was excitement and fun. Alumni students met their friends, music blared and exciting fun games were organized for parents as well. There were numerous mouth-watering food stalls selling delicious food and snacks. This year, we witnessed innovative games that were set up by our students. The flash mob drew the attention of the young and elderly, who enjoyed the music. It was a successful event, and everyone enjoyed it thoroughly.

“World Grad” an award-winning education provider and academic partner to globally ranked universities, dedicated to making high-quality overseas education more accessible to students with a major focus on programs in STEM and business fields; put up their kiosk on Refesta Day.
