THEME OF THE MONTH -

United Nations Sustainable Goal

"GENDER EQUALITY is more than just a human right- It is key for a sustainable and prosperous world"
 – Winnie Byanyima, Executive Director. UNAIDS

DEAR PARENTS,

Greetings from Reqelford International School!

What a wonderful way to start October with the birth of a Great Leader – The Father of our Nation - Karamchand Gandhi affectionately known as "Mahatma". October also is famous for apples-the month of apples. Other events in October all point to a 'Healthy Month'. Also October welcomes the festive season – celebrating Dussehra and Bathukamma.

06.10.2023:

ACTIVITY – GARDENING BY NURSERY

09.10.2023: INDO – KOREAN RECREATION CAMP

At Regelford International School, Senior Students had a useful time under a program called "Back to the Joy" in Indo-Korean Recreation Camp. Students learned dance and Korean songs and had an interesting time knowing more about the Korean culture through group games such as passing the ball and matching pictures. And during the mind lecture, Korean teacher Choi explained to the students how people's hearts flow in six stages. Overall, the event brought joy to the students as intended.

A VALUE OF A TEACHER

Erasers are made to correct our wrongs

Our Teachers are here to make us strong.

They say, children are naive by heart

But our teachers make sure we are always smart.

Some people always pretend to be nicer and nicer

Meanwhile, our teachers always taught us to be wiser and wiser.

We should always Thank God for making our world colorful,

I will always be grateful for my teachers for making my childhood wonderful.

Rubies, Emeralds and Sapphires are valued by smart living creatures

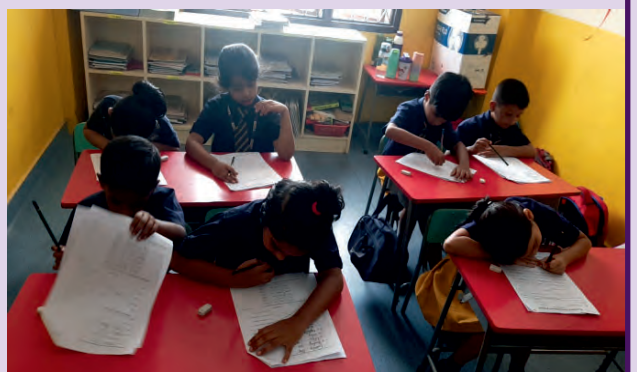

I don't find them smart enough because they don't know the great value of a Teacher.
